

ROOSEVELT CITY

RECREATION SURVEY 2 RESULTS

This follow-up survey asked residents to rank recreation project suggestions that were provided by the public in response to the first recreation survey. This survey also asked residents to identify their residence (city or county) and give suggestions for project locations.

LOCATIONS

Q2 Where would you construct these projects?

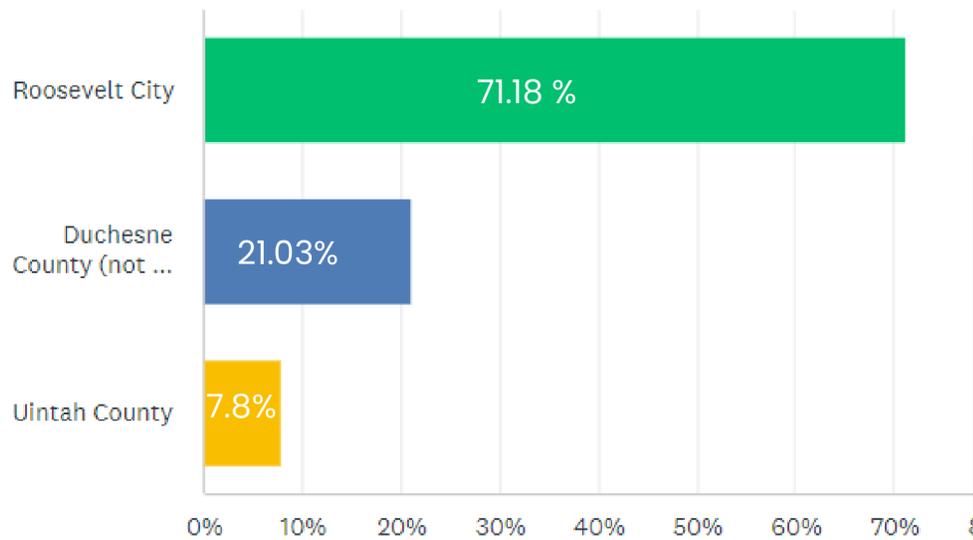

RESIDENCE

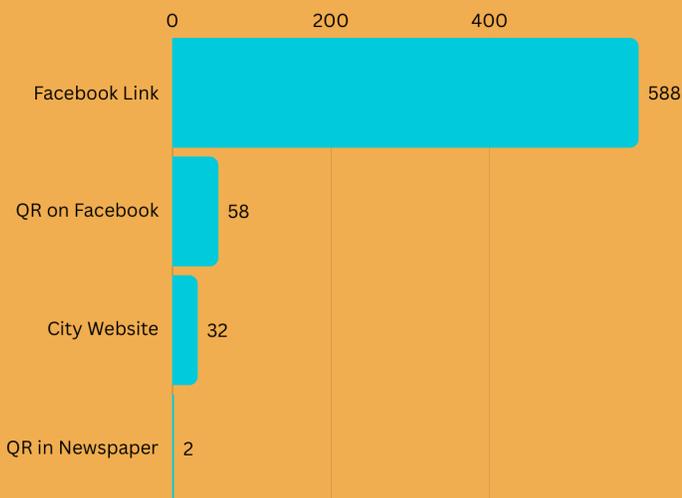

Respondents were asked to identify their area of residence. While the Council must consider the data in terms of what is best for Roosevelt City taxpayers, responses from anyone who utilizes a facility, regardless of area of residence, may be valuable.

Please select your residence area
